

Thrift Store Customer Safety Measures

To maintain a safe and healthy environment for our customers we will require the following of all of our customers:

- 1 Customers will enter using the rear door and exit the front door.
- 2 10 customers maximum allowed at one time in the store.
- 3 Customers are required to wear masks, suggested to wear gloves and will have no-touch temperature taken.
- 4 Customers must use sanitizer upon entry.
- 5 Every aisle in the store will have arrows indicating traffic direction and tape will also indicate 6 foot spacing throughout the store.
- 6 Due to current health risks, we suggest that you do not try on clothes.
- 7 Clothes that are tried on will remain on rack next to dressing room for 24 hours before re-distributing.
- 8 Children must be accompanied by an adult at all times.
