

Thrift Store Volunteer Safety Measures

To maintain a safe and healthy environment for our customers we will ensure the following from our store volunteers:

- 1 Face shields will be worn by cashiers who will also wear gloves and/or use wipes or sanitizers between exchange of money.
- 2 All pricers and volunteers will wear masks and gloves.
- 3 Sanitizers will be available.
- 4 All areas of store will be sprayed with lysol before opening and after closing.
- 5 Store racks, shelves and fixtures will be cleaned and organized prior to opening date.
- 6 We will post 2 signs: "Due to current health risks we suggest that you do not try on clothes." & "Clothes that are tried on will remain on rack next to dressing room for 24 hours before re-distributing."
- 7 Bathroom will be cleaned with disinfectant by cleaning staff on regular basis and lysol sprayed at the end of each day.
- 8 Metal surfaces (i.e. door handles) and hard surfaces (i.e. jewelry counters, checkout counters, pricing tables) usually touched by staff and customers will be wiped down with disinfectant and or wipes before and after closing.
- 9 Floors will be swept / vacuumed / swiffered on a regular basis.
- 10 Store Operating Hours will be Tuesday and Saturday 8 am-11:30 am. Donations will be accepted, and furniture pick up available, during these Operating Hours only.
- 11 Thursdays will be used by volunteers solely to price and distribute merchandise. No donations will be accepted on Thursdays.
