

La Levisa is our sister church in Báguanos, in the Holguín province of southeast Cuba. During annual mission trips led by Yady and Cesar Galano, we fellowship with our brothers and sisters in Christ and help with ministries for Cuba's underserved deaf Christians.

Here are six ways to pray over the team serving from January 7th - 11th.

God's guidance, provision while doing all the preparation for the team of 5 from the US and for the people in the Island.

Safety of the team and over the trip

God's grace and favor while going through immigration and customs there

God's presence and power of the Holy Spirit while ministering and teaching to the people

God's wisdom to equip people representing three cultures at the event

God's provision to meet the needs and projects successfully in favor of underserved population across the Island.
