

Building a Strong Biblical Foundation

Getting to Know Your Bible

Welcome to our 8-week Getting to Know Your Bible study journey. Whether you have studied Scripture for decades or are opening the Bible for the first time, this study is designed to meet you where you are and help you grow spiritually.

This study is designed to equip believers with a strong biblical foundation that deepens faith, encourages spiritual growth, and strengthens their walk with God through Jesus Christ. Together, we will move beyond simply reading the words on the page and learn how to engage Scripture with confidence, clarity, and humility.

Throughout these eight weeks, we will explore how the Bible came to us, the major themes of the Bible, the authority and sufficiency of scripture and how to study it deeply for yourself.

Our goal is more than gaining information; it will help you discover the life-changing principle that can only be found in God's word. I invite you to come, and together we will discover the value and the blessing contained within the pages of the Bible.

What to Bring Each Week

- **Your Bible:** Bring any translation you prefer—one you can understand and follow with confidence. If you don't have a Bible, we will have one for you to use.
- **Pen/pencil:** to use for notes, reflections, and questions that arise during the study.
- **An open heart:** Come ready to learn, ask questions, and grow alongside others.

I look forward to walking through this study together and seeing how God uses His Word to strengthen, encourage, and guide us. My prayer is that each week will deepen our understanding, strengthen our faith, and draw us closer to Jesus.

Thank you for being part of this journey. I am grateful for the opportunity to study with you and look forward to all that we will learn together.
